Usher Gallery
Art at The Collection

Danes Terrace, Lincoln LN2 1LP

Welcome to the Autumn Exhibition of the Lincolnshire Artists' Society.

It is always a pleasure to showcase our art in the Usher Gallery. The Society has been linked with the Gallery and Museum since 1927 and special thanks go to the Usher staff for inviting us and installing the artwork here on display.

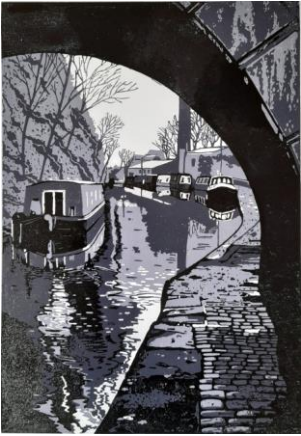

LAS exhibitions are always diverse and eclectic, covering many different interests and working practices of our Members. The majority of artworks displayed here are for sale.

Prizes for the art in the Show will be the Maggie Dean Award, the Charles & Sally Pinchbeck Award, and a new Sam Scorer Award. We acknowledge the generosity of our Sponsors and Patrons of the Society and thank them for their continued support.

This year visitors can meet some of the Artists during Saturday afternoon 'pop-up residencies' in the Exhibition space. It is an exciting initiative between the Society and the Usher Gallery which allows Artists to engage with visitors and showcase their art working processes. Each Saturday afternoon throughout the Show will feature a different Artist.

We hope you enjoy your visit. The Exhibition continues until January 2025.
